

The XXX International Conference on Neutrino Physics and Astrophysics (Neutrino 2022)

Friday, 3 June 2022

S16: Heavy Neutrino, R&D (17:00 - 18:30)

-Conveners: Manfred Lindener

time	[id] title	presenter
17:00	[784] Heavy neutrinos at the LHC - results and prospects	XIAO, Jie
17:30	[785] Overview on hybrid Cherenkov/scintillation detectors	WURM, Michael
17:52	[786] Optimized scintillators for future neutrino detectors	BUCK, Christian
18:12	[813] LiquidO Opaque Neutrino Detection: New Results & Status	CABRERA, Anatael
